WELCOME FROM THE PRESIDENT

Dr. Billy Stewart

East Central Warrior Fans –

On behalf of the Board of Trustees, administration, faculty, and staff of East Central Community College (ECCC), I am pleased to welcome you to Decatur, Mississippi, home of the Warriors!! We deeply appreciate your interest in ECCC athletics and are pleased you have chosen to join us for today's sporting event.

During this 2013-2014 campaign, we anticipate continued success for our student-athletes in the classroom and on the field of competition. Last year, seven of ECCC's ten intercollegiate athletic teams that competed in the National Junior College Athletic Association (NJCAA) qualified to be named National Academic Team of the Year by earning an average team GPA of 3.00 or higher. ECCC had two teams named National Academic Team of the Year (Men's and Women's Tennis), three other teams finished in the Top 5 in the nation (Men's Soccer – 2nd; Baseball – 3rd; Women's Soccer – 5th), and the final two finished in the Top 25 nationwide (Women's Softball – 14th; Men's Golf – 24th). In addition, ECCC athletics earned a North Division Co-Championship in Men's Soccer and a State Championship in Baseball. I am confident in the ability of each of our student-athletes to continue the proud and rich tradition of excellence, both academically and athletically, this year.

Emily, Will, Stephanie, Billy, Stephen and Elizabeth Stewart

We are currently developing plans to improve many of our athletic facilities here at ECCC. Our coaches and assistant coaches, as well as our Athletic Director Chris Harris, have taken great pride in preparing fields, courts, stadiums, and other facilities that represent our athletic department and our college the EC Way– Excellence with Class. And, although we have made several recent improvements, more are needed. Therefore, we ask that you consider supporting our athletic program(s) financially in order to provide the best possible facilities for our student-athletes as they certainly deserve the best!

Again, we thank our loyal Warrior fans for your continued support of our athletic department. Whether that support is expressed through joining the Warrior Club, attending athletic contests, vocalizing your support of ECCC in your local community, or contributing in other meaningful ways, we sincerely appreciate you!! ECCC has a long and rich history of academic and athletic excellence and we look forward with anticipation as this year's teams carry on that tradition. I am proud to wear the black and gold of ECCC.

I'll see you at the game as we cheer on the Warriors!!

Billy W. Stewart, Ph.D.

ATHLETIC DIRECTOR

Chris Harris

Dear Warrior fans and supporters of East Central Community College:

I am extremely excited about the 2013-2014 athletic seasons at East Central Community College. My excitement involves what has happened, what is currently happening, and what will happen in East Central athletics. This past year has been monumental in many ways, perhaps in ways you might not expect on college campuses. Our goal as coaches, faculty and administrators has been and will continue to be the development of the TOTAL student athlete; academically, athletically, emotionally, and spiritually. Our student-athletes experienced growth in all of these areas this past year, and I expect no different this year.

You will notice that Warrior Athletics is new in many ways this year. We are very fortunate to have several new faces on campus leading our athletic teams. I anticipate that each coach will bring with him/her a desire to do things the EC Way – Excellence with Class. In addition to new personnel, we have several facility improvements either completed, beginning, or yet to come.

Not only am I excited about where we have been and where we are, I am also encouraged about our vision for the future of Warrior Athletics. As a part of the college's new 2020 Vision, there is a strong commitment from our institution to student success, teaching and learning, community partnerships, resource planning and development, and communication. In one way or another, all of those commitments apply to our athletic program. I am eager to see the improvements that will come now that our college has identified strategic priorities for the years to come.

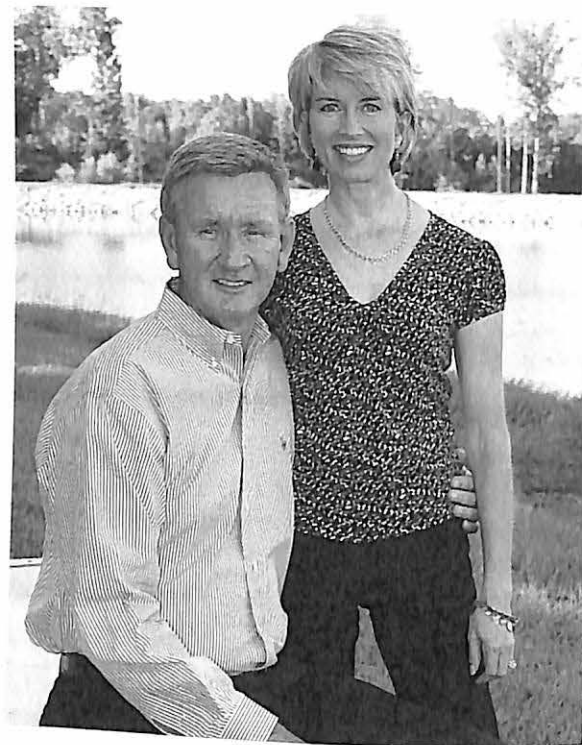

As we "Rebuild the Wall that is Warrior Athletics," I encourage you to be a part of our exciting journey. There are great things that are about to happen at East Central Community College, and I hope you will consider being a part of the growth and improvement of our Athletic Programs. These are just a few of the facility improvements we expect to see in the next five years in the athletic arena:

1. New Dressing Room for Women's Softball;
2. New Stadium Fencing for Men's & Women's Soccer;
3. New Dressing Rooms for Men's & Women's Soccer;
4. New Gymnasium Seating and Interior Upgrades for Men's and Women's Basketball;
5. New Football Scoreboard and Field Upgrades;
6. Construction of a new Football Operations Center in north end zone which will include a Weight Room and Training Room for all Athletic Teams, Locker Room, Coaches' Offices, Meeting Rooms, and a Warrior Club Room; and
7. Additional Chair Back Seating, Extended Grandstands, and Restrooms at Clark/Gay Baseball Complex.

Please note that these facility improvements will depend largely on private donations. Please prayerfully consider the role(s) you can play as we see these dreams become a reality.

Thank you for attending tonight's game and your continued support of East Central Athletics.

"It is a Great Day to be a WARRIOR!"
Chris Harris, Athletic Director

HEAD COACH
Ken Karcher

quarterback T.J. Rubley earned All-World League honors and was named the league's most valuable offensive player.

Karcher's offense led the league in rushing yards (1555) and ranked second in total offense (3253). The offensive line set a league record by holding opponents to only one sack the entire regular season.

Karcher was chosen the sixth head football coach at Liberty University on February 18, 2000.

He served six seasons at Liberty, compiling an overall 21-46 record and 6-8 mark in conference play, including two straight second-place finishes.

Karcher continued his career in 2006 as offensive coordinator and quarterbacks coach at Fellowship Christian High School in Roswell, Ga., where he led the Paladians to their first-ever winning season and a deep run in the Georgia state playoffs. He also served as the school's athletic director and taught a ninth-grade Bible class at Fellowship Bible Church.

In 2008, Karcher was named quarterbacks coach at the University of Toledo. He helped lead the Rockets in an upset win over the Michigan Wolverines, although the squad finished 3-8.

Karcher was hired in January 2009 by head coach Ron English as offensive coordinator and quarterbacks coach at Eastern Michigan University and remained with the program until December 2012.

A native of Pittsburgh, Pa., Karcher was a highly recruited quarterback at Shaler Area High School where he was selected a Parade All-American in 1980. He continued his athletic career at the University of Notre Dame where he was a backup to Blair Kiel. After two years he transferred to Tulane University, where he completed his collegiate playing career.

He later continued his career in the National Football League as a member of the Denver Broncos and played as a replacement player when other NFL players were on strike. The Broncos retained him for the rest of the year, and Karcher was a back-up for John Elway when the team played in Super Bowl XXII in 1988.

Karcher is married to the former Pauline Termini and they have four children, daughters Kelly and Katie, and sons Austin and Clay.

Ken Karcher, a former NFL quarterback with 22 years coaching experience, begins his first season as head coach of the Warriors.

Karcher, who most recently served as offensive coordinator and quarterbacks coach at Eastern Michigan University, said in a press conference after he was hired that he looks forward to the challenge of developing a winning program at East Central.

He also stressed the importance of having players who have pride in being a Warrior.

"What I'm looking for are guys who want to be a part of something bigger than themselves. I think when you find people like that, they are able to work and build towards a vision and a mission that both Dr. Stewart and I have....The first thing I want to help them recognize is where their value is. I think if a person has an understanding of their own value and worth it's easier to come to work each day and to do the things you're asked to do. I want them to have pride in being a Warrior. That could be as simple as walking on campus, seeing a piece of paper on the ground and putting it in the trash. Because this is your home and if we can create pride within the program then we have a chance. No guarantees, but a chance."

Having coached on both the high school and senior college level, Karcher said he looks forward to joining the community college ranks.

"It's going to be an interesting environment for me. I have not worked at this level before, but I have done a lot of research and I have recruited at this level. Number one, you are still coaching football and obviously you have young men who are hoping to maybe move on and further their career at a four-year institution and they may have dreams even beyond that. But what's unique about community college is the other 45 or 50 percent of the young men who don't continue to play football. You have a chance to mold and help them earn a four-year degree and change their lives. Ultimately, a football coach, really any type of athletic coach, is in the life-changing business. That's what coaching is: changing lives."

Karcher, 49, served the past four seasons at Eastern Michigan, a member of the Mid-American Conference.

He is also a former head coach at Liberty University, where he succeeded EC alumnus Sam Rutigliano.

Karcher began his coaching career in 1991 at North Texas State University, where he coached quarterbacks and wide receivers.

He was hired the following season by head Coach Glen Hall as passing game coordinator and quarterbacks coach for the Orlando Thunder of the World League of American Football. Karcher returned to the col-

After the World League was suspended, Karcher returned to the collegiate ranks as an assistant on Johnny Major's coaching staff at the University of Pittsburgh. During his first season, he served as the Panthers' pass offense coordinator and quarterbacks coach, sharing duties with run offensive coordinator Charlie Coe.

In March 1994, Majors put Karcher in sole charge of the offense, promoting him to offensive coordinator and quarterbacks coach. He held that position for the next three years, until Majors' resignation at the end of the 1996 season.

In 1997, Karcher rejoined Galen Hall in the revamped World League this time as offensive coordinator and quarterbacks coach of the Rhein Fire, based in Dusseldorf, Germany.

He helped lead the Fire to their first winning season in the team's three-year history. Rhein finished in first place with a 7-3 record but lost to the Barcelona Dragons in World Bowl IV. Under Karcher's tutelage

COACH TONY DUNGY TO SPEAK AT ECCC EVENT

Former National Football League head football coach Tony Dungy will be the guest speaker at an East Central Community College-sponsored program scheduled March 28, 2014, at the Neshoba County Coliseum in Philadelphia.

Coach Dungy, who will visit the EC campus in Decatur prior to the event, will participate in a fundraising effort for the Warrior football program, led by first-year head coach Ken Karcher, a longtime friend and associate.

Coach Dungy, who retired from coaching in 2008 after a successful career which included a 2007 Super Bowl victory with the Indianapolis Colts, now serves as an analyst for NBC's Football Night in America.

He is also the #1 New York Times bestselling author of *Quiet Strength* and *Uncommon*.

In addition, Coach Dungy is involved in a wide variety of charitable organizations, including the Fellowship of Christian Athletes, Athletes in Action, Mentors for Life, Big Brothers/Big Sisters, Boys and Girls Clubs, Prison Crusade Ministry, All-Pro Dads and many others.

"The College is extremely fortunate to have someone of Coach Dungy's reputation and stature to visit our campus and community," said ECCC President Dr. Billy Stewart. "I can say that our football program, our college and our community will be blessed by the presence of Tony Dungy this spring."

More information about Coach Tony Dungy's visit to East Central Community College will be announced at a later date.

ECCC Football Alumni Meet

Former East Central Community College football players gathered earlier this summer on the Decatur campus to meet new head coach Ken Karcher and show support for the Warrior football program. Coach Karcher presented his vision and goals for success and offered levels of financial support, "The Coaches 20," to the former players for consideration. ECCC President Dr. Billy Stewart also provided remarks and expressed appreciation to the former Warrior standouts for their support. He also discussed plans to improve facilities as funding is available. Other speakers included offensive coordinator Mickey Mays and defensive coordinator Scott Brock, who related their respective philosophies for success. Pictured are (seated from left) Phil Smith, Decatur; Jeff Breland, Lake; Pete Lucovich, Carthage; Wilmer James, Morton; Earl Marshall, Hattiesburg; Van Lucas, Newton; Tony Henderson, Carthage; and (standing from left) Coach Mayes; Kyle Watson, Decatur; Tod Wall, Brandon; Ricky Harrison and Dr. Randall Lee, both of Decatur; Mark Killens and Pat Kirby, both of Newton; Chris Perry, Decatur; Chris Rowell, Philadelphia; Mike Moorehead and Brad Breland, both of Union; Coach Brock; and Chris Harris, Decatur. WARRIOR STORY...

Mark Killens '78

Playing football for Coach Ken Pouncey and Coach David Bradberry were some of the best years in my life. Coach Pouncey was as tough as they come, but also as fair as they come. Respect for Coach Pouncey was and still is to this day a major understatement.

Any game is really fun when you want to win for your Coach, your fellow teammates and your school. Coach Pouncey instilled this in all his players and we were proud to play for him and ECCC.

Coach Bradberry was a great teacher of the game. I probably learned more about playing quarterback from Coach Bradberry than anyone else and I'm really thankful.

Attending ECCC was a great experience after high school. Making friends with the folks you been fighting for four years was kind of neat. Making lifelong friends was a great experience that has lasted right up until this very day.

ECCC has always had the best faculty and education anywhere, and I do mean anywhere! It's a great experience when as a student you make lifelong friends and mentors of your teachers.

I'll always cherish people like Mrs. (Alice) Pouncey, Mr. (Ovid) Vickers, Mrs. (Martha) Graham, Mr. (L.B.) Simmons, Mr. (Tommy) Thrash, and last, but not least, Ms. Mollie (Maggie) adn Mr. (Leonard) Lee in the the cafeteria, which at that point and time in my life was really important!

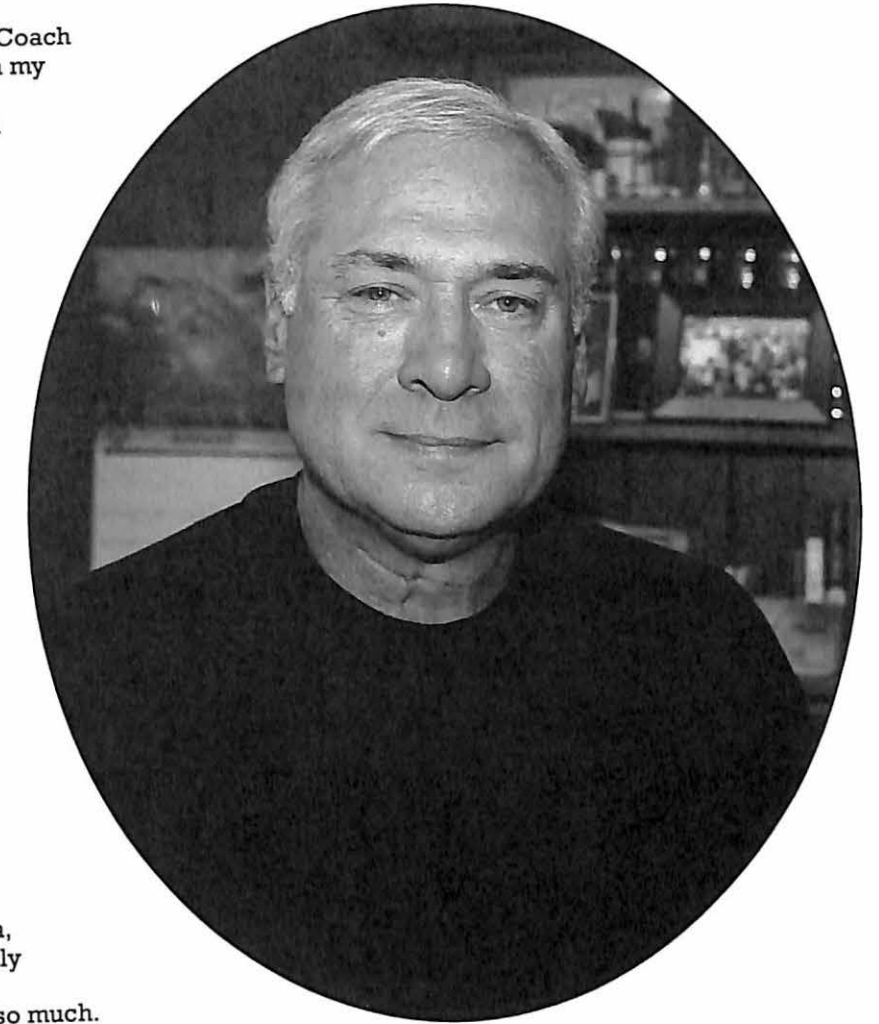

I'll never forget my teammates, who helped so much. Without their leadership, friendship and sometimes mis-leading guidance, I would not have survived! Just ask Coach (Joe) Clark! I would also like to thank Mrs. Sarah Gipson and Mrs. Desma Kilpatrick for all their understanding and cooperation.

With all that being said, I have to mention a few names like Ricky Harrison, Alexander Ealy, Kenneth Whitfield, Todd Gregory, Bob Holland and Andy Brewer who made ECCC really special. I also wish I could see and talk to J.D. Carter, Steve Burnett, Kim Webb and mostly Coach Pouncey. But I'll have their memories always in my mind and heart.

I'm real excited about Coach (Ken) Karcher's way of doing things. I think he's a great addition for us at ECCC. I would also like to thank Dr. (Billy) Stewart for allowing Coach Karcher to do things he believes in because I believe in them too.

Good luck to all teams and students at ECCC this year. Please don't forget they are the best years and opportunity of your life. Go Warriors!

Editor's Note: Mark Killens is the owner of Killens Motors in Newton. He was a quarterback on the 1976 and 1977 Warrior football squads. He is a 1978 graduate of ECCC and was inducted into the college's Athletic Hall of Fame in 2003.

FEATURED WARRIOR...

Wide Receiver #10 James Clark

My name is James Clark. I am from Laurel, MS, and also a graduate of Laurel High School. I was born on the night of February 20, 1994, in South Central Medical Hospital. I live with my mom, Pamela Jones, and younger brother, JaMarquis Clark.

When I was born, my mother always would tell me I am going to be someone important in life, whether it was being a doctor, lawyer, or even a firefighter. But in this case, it's being a football player.

The first time I laid my hands on a football, I instantly fell in love with it. I have always loved the game of football, both playing and watching it.

I started playing football around the age of six or seven years old and my mother was always my biggest fan. She would always be sitting in the front right on the fence yelling and shouting my name.

When I turned 11, I just stopped playing football because of many family problems. Then, during my tenth grade year in high school I went out for the Laurel Golden Tornadoes and I made the team. I did not play a down of football that year, but I always worked hard at practice and in the weight room.

I was ready to quit the game of football but my mother told me to keep pushing myself and keep working hard and it will pay off. So I kept at it.

My eleventh grade year I started as a slot receiver and I had a pretty good season. I made second team All-Division.

My senior year of high school we went to the state championship. Although we lost the championship, we finished the season with a 13-2 record and I made first team All-Division and second team All-District. I received scholarship offers from eight different community colleges, but I chose East Central Community College.

After my first year at East Central, things started to go downhill for me as far as my family goes. My mother got really sick and was in and out of the hospital and my younger brother was in and out of jail. Every night she would cry while we were on the phone just hoping and praying that I will be the best person I can be and always do my best in everything I do.

This year, I am a sophomore at East Central and I am a starting wide receiver (#10). I am still having many problems back home in Laurel. My mother has had three knee surgeries and is now currently sick and dealing with pneumonia. But, I am always pushing myself to be a better man and football player so I can one day be able to take care of her.

ECCC Plans New Football Operations Center

Above is an architect's rendering of the proposed Football Operations Center to be constructed at the north end of Bailey Stadium on the Decatur campus of East Central Community College. The estimated \$4.8 million complex will include a state-of-the-art weight room and athletic training facility for all student-athletes at the College. It will also include a Warrior Room as well as meeting space for the department of athletics and the community. Also included in the plans is a \$1 million turf field to replace the existing grass field.

"I'm excited about the commitment Dr. (Billy) Stewart and the Board of Trustees have made on behalf of our athletic programs," said Athletic Director Chris Harris. Harris said the new facility will be funded by private sources. "As with any project involving improvements to athletic facilities, private donors have a tremendous impact on the success of the project and the timing in which the project will be completed," said Harris.

First-year head coach Ken Karcher has played a key role in the design of the Football Operations Center. "This facility will be a place to further develop our student-athletes in all four phases of their life – intellectually, physically, spiritually and socially – which is our mission at ECCC," said Karcher.

ECCC President, Dr. Billy Stewart stated, "The completion of this new facility and field has the potential to positively affect the future of Warrior Athletics. First and foremost, its construction will impact each of the five commitments our institution has made as a component of 2020 Vision. But it also has the potential to seamlessly connect our athletic facilities to the college and our community."

He added "I am confident that the construction of this facility will set us apart from our peers and enhance our reputation as a training ground for excellence. It will certainly communicate Excellence with Class—the EC Way."

To make a contribution or for more information, contact Dr. Stacey Hollingsworth, executive director for Foundation and Alumni Relations, 601-635-6327 or call toll free, 877-462-3222, ext. 327. The email address is sholling@eccc.edu.

Athletic Teams Earn National Recognition

Seven East Central Community College athletic teams and numerous student-athletes were recognized for academic achievement by the National Junior College Athletic Association, according to a news release from the NJCAA Headquarters in Colorado Springs, CO.

ECCC President Dr. Billy Stewart said the academic honors reflect the type of athletic program the College strives to produce each year.

"East Central's 2020 Vision includes a desire to be 'nationally recognized.' Well, few, if any, of the more than 500 NJCAA community/junior colleges can claim that seven of the 10 athletic teams (70 percent) qualified for NJCAA Academic Team of the Year by earning at least a 3.0 average team grade point average," said Dr. Stewart. "Fewer still can boast that five of their teams finished in the top five in the nation with two national Academic Teams of the Year - Men's Tennis and Women's Tennis. In addition to that, 15 East Central student-athletes were recognized for outstanding individual academic achievement. Those numbers are remarkable when considering the size of our student body and the

number of student-athletes enrolled at our college. I want to congratulate and thank our coaches and our student-athletes for their efforts in the classroom this year. They performed the EC Way - Excellence with Class, and I am so proud of each of them!"

ECCC's women's and men's tennis teams received the highest honors as each was recognized as 2012-13 NJCAA Academic Tennis Team of the Year and also qualified as top MACJC Academic Teams.

The Lady Warrior tennis team led the nation with a 3.77 grade point average.

The Warrior tennis squad achieved a 3.76 grade point average to claim the most prestigious national honor.

Dianne O'Neill and Kyle Watson served as EC tennis coaches.

The Soccer Warriors finished a close second for NJCAA Academic Men's Soccer Team of the Year by posting a 3.13 grade point average and missed earning the top honor by two hundredths (.02) of a point.

Kenneth Thompson serves as head coach.

The State Champion Diamond Warriors placed third for NJCAA

Academic Baseball Team of the Year with a 3.35 grade point average. The recognition marks the fourth consecutive year EC's baseball team has finished in the top 20 in the nation and second straight year the squad placed in the top three.

Neal Holliman serves as Diamond Warrior head coach.

The Lady Warrior soccer team tied for fourth for NJCAA Academic Women's Soccer Team of the Year honors with a 3.37 grade point average.

Since the program's inception in 2005, the Lady Soccer Warriors have never finished lower than sixth in the nation and earned NJCAA Academic Team of the Year honors on three occasions, most recently in 2011 and 2009.

Kenneth Thompson served as Lady Warrior head coach.

EC's softball team tied for 12th in the nation by posting a 3.42 grade point average.

Kristin Chaney serves as Lady Diamond Warrior head coach.

EC's golfers finished tied for 23rd in the nation with a 3.15 grade point average.

Chris Clark serves as Warrior golf

IN MEMORY

Park Stevens Forever in Our Hearts # 75 From Your East Central Family

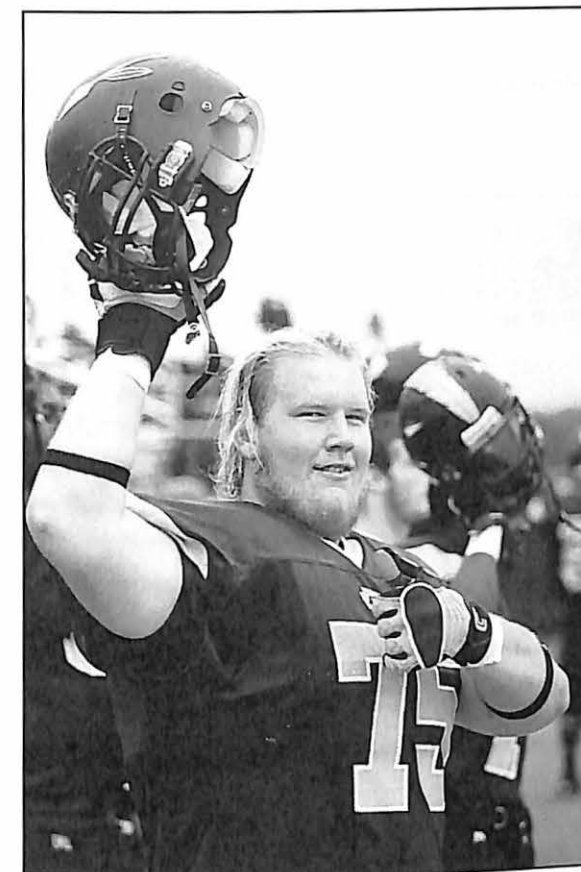

Former Warrior football player Park Stevens, 20, lost his life in a two-vehicle accident July 3, 2013, in Chickasaw County.

Stevens, a 6-8, 325-pound offensive lineman, was a two-year standout at EC before transferring in mid-year to the University of Mississippi as a walk-on lineman. He had earned a spot on the roster prior to the accident.

Several hundred mourners - including members of the Ole Miss and ECCC football coaching staffs and players - attended Stevens' funeral service, held July 6, 2013, at Mt Vernon Baptist Church in Columbus. His former coaches were among eulogizers during the emotional service.

Stevens was a product of New Hope High School, where he earned Max Emfinger All-American and MS/LA All-Star honors.

He was the son of Dean and Gail Stevens of Columbus.

In light of her father's death, Mariah Malone sends a letter that will forever alter the lives of her family. When Slade Donovan, strong willed and eager for vengeance, shows up on her front porch, Mariah is not ready to hear his truths: her father's farm, the only home she's ever known, was bought with stolen gold. With Slade ready to collect his father's rightful claim and force Mariah and her family out on the streets, Mariah must turn to God for guidance. Though Mr. Frederick Cooper, a local landowner, promises to answer her financial woes if she agrees to be his bride, Mariah finds herself drawn instead to the angry young man demanding her home.
